

High Living Costs Curb Advocated

14-Point Program
Drafted in Report
By Prices Committee

By Norman M. Macleod
OTTAWA, June 25.—(BUP)—In a 14-point program drafted as its report to the House of Commons after a five-months' probe into current high living costs, the special prices committee of parliament today urged:

- (1) Re-imposition of price and allied controls in individual circumstances, together with any subsidiary measures necessary—but not re-imposition of over-all price control.
- (2) Removal of import restrictions upon United States fruits and vegetables, with due regard for the interests of Canadian primary producers.
- (3) Legislation to facilitate "immediate specific action" in cases of "flagrant" profiteering at consumers' expense.
- (4) The immediate appointment of an enquiry commission under the Public Enquiries Act to continue the work which has been initiated by the parliamentary committee.
- (5) Legislation to facilitate "immediate specific action" in cases of "flagrant" profiteering at consumers' expense.
- (6) Increased financial support for the work of the federal combines investigation commission.
- (7) Special rates of taxation for "unreasonable profits."
- (8) Imposition upon business through the Companies Act of an obligation to follow a uniform system of accounting, with a view to preventing concealment of profits by accounting methods.
- (9) Amendment of the Companies Act so as to require fuller disclosure of inventory reserves deducted in determining profits.

RETAIN RENT CONTROLS

- (10) Retention of rent controls, but their revision as to ameliorate cases of individual hardship.
- (11) Co-operation between provinces and the dominion to study the solution of any constitutional difficulties which the recommendations of the committee may raise.
- (12) Consideration of the interests of "both producers and consumers" of Canada before any food embargoes (such as the embargo upon the shipment of cattle to the United States).
- (13) Periodical publication by the Federal Bureau of Statistics of an analysis showing the way in which the consumers' dollar is divided among the various elements which enter into the price of basic commodities; and as well to instruct the bureau to publish periodically the evidence of price increases in Canada, figures showing total sales, operating income, and net profits.
- (14) Recognition of the basic fact that "increased production at a lower cost is the only permanent solution to the problem of high prices."

The committee said that "since the war industry in Canada has been making commendable efforts to relieve the shortage of goods, the great amount of goods that Canada is contributing to the total world supply will aid substantially in relieving the present pressure on world prices, and in turn will ease inflationary pressures in Canada."

The committee's report was scheduled to be tabled in parliament today.

Frankie Parker Beaten By Swede

LONDON, June 25.—(AP)—Lennart Bergelin, Swedish Davis Cup star, upset top-seeded Frankie Parker of Los Angeles in the fourth round of the Wimbledon tennis championships today. The scores were 7-5, 6-7, 6-4, 10-8.

Parker, heavy favorite to capture the singles title vacated by Jack Kramer, bowed to the Swede at the end of a marathon struggle which lasted over two hours and five minutes on the famed centre court.

One detective described the ensuing fight as "worse than any staged by men in my experience."

"The women came at us like wildcats," another detective said.

"They turned fire hoses on us and screamed at the top of their voices. Their language was none too clean. Several of them charged us and came to grips."

BEAT DOWN DOOR

Meanwhile three or four of them were beating down a rear door with table legs. They almost had it open before the police arrived.

Prisoners at Mercer came from all over Ontario. For the most part, they were men in laundry work and dressmaking.

CCF Re-Elected But Liberals in Comeback

Tragedy in Pittsburgh

SYMPATHETIC POLICEMAN steps forward to console Lillian Shoaf, 12, Pittsburgh, who has thrown herself to the sand in anguish after her 8-year-old brother drowned in Monongahela river.

Inquest Discloses Lack Of White Mud Supervision

Up to 4,000 persons gather at the White Mud Ski Village resort on Sundays with virtually no supervision.

This was revealed in testimony given Thursday at an inquest probing the drowning deaths of Eddie Walden, 12, and Andrew Jackiw, 11, Edmonton victims of a canoeing mishap in White Mud Creek last Sunday.

The coroner's jury rendered a verdict of accidental drowning by upsetting from a canoe and added a rider recommending "that canoes or boats for hire should be kept locked when not in use," to "prevent any chance for younger boys taking these boats without permission."

The absence of supervision at the White Mud resort, which is inside the city limits, was disclosed in the evidence of Frank Donner, commissioner at White Mud Lodge and Ski Village.

Mr. Donner was being questioned by Crown Prosecutor Donald Mason.

"What protection is there?" asked Mr. Mason.

"Just myself. There is no supervision on the water except myself. I try to watch but it is impossible to see everything. There are from 200 to 300 people on the water."

Reference was made to the excellent progress made by the association under his direction.

Calgary Champ Loses Match

First round of the provincial amateur golf championships was completed this afternoon at Mayfair Golf and Country Club.

Calgary city amateur champ Al Pow missed a two-foot putt on the 18th hole to lose his match one up to Vern Mohr.

Here are first round results: Robert Carse defeated M. Zewenul on the 19th.

C. J. Duncan defeated J. Harper, 2 and 1.

Johnny Aitken defeated Bill Gostik, 4 and 3.

Maury Van Vleet defeated Bert Greer, 3 and 2.

J. R. McDonald defeated B. J. Kilburn, 3 and 2.

West West defeated R. W. McKenzie, 5 and 3.

E. F. Thomas defeated Ken Jennings, one up.

Duane Barr, Calgary, defeated D. Williams, Edmonton, 4 and 3.

Red West defeated D. J. Leake, Edmonton, defeated D. F. C. Smith, Edmonton, on 19th.

Bob Manahan, Calgary, defeated D. Podersky, Edmonton, 2 and 1.

Buddy Loftus, Edmonton, defeated W. L. Hoar, Edmonton, 2 and 1.

J. Leake, Edmonton, defeated D. Crawford, Edmonton, 5 and 4.

J. Melidrum, Edmonton, defeated J. Lee, Edmonton, 5 and 4.

Socialist Party's Majority Slashed

(More Election News Page 8)
REGINA, June 25.—(CP)—The CCF government of Premier T. C. Douglas was returned to office in Saskatchewan yesterday with its majority slashed by a strong Liberal comeback.

The heaviest vote in the province's history poured into polling booths despite cloudy skies and an intermittent drizzle that mired many back-country roads.

Today, for example, the outcome in the northern riding of Hanley was in doubt, with only one poll of 36 to come, simply because of the blocked roads. The outstanding poll is eight miles from a telephone—eight miles of muddy road.

In 30 of the 50 seats, CCF candidates were re-elected. The Liberals took 13 seats from the government to elect 18 members while one of the four Liberal-Progressive Conservative candidates was elected.

HERE'S STANDING

This was the standing early today, compared to the result of the 1944 general election:

	1948	1944
CCF	20	47
Liberal	18	5
Lib-Prog. Cons.	1	5
Doubtful	3	0
Deferred	3	0
Totals	52	52

On the basis of its trend-analysis of early returns, The Canadian Press indicated the return of the government with a reduced majority two hours after the polls closed.

There were an estimated 520,000 eligible voters in the election—10 per cent of them people between 18 and 21 voting for the first time in a Canadian election.

With 2,925 of 3,206 polls reported, a Canadian Press compilation showed 45,618 people voted and the final total might hit 500,000.

NO SC'S OR TORIES

No Social Credit or Progressive Conservative candidate was elected and the leaders of both parties suffered personal defeat.

In the one doubtful seat—Hanley—CCF candidate Robert Walker, a University of Saskatchewan law student, led Liberal Clayton Pascoe by two votes with one poll still to report.

Both 43-year-old Premier Douglas and Liberal leader Walter Tucker won handily. But two cabinet ministers—Resources Minister J. L. Phelps and Welfare Minister O. W. Valau—lost to Liberal candidates.

Making a clean sweep of the three major cities, CCF candidates piled up 47 per cent of the popular vote, compared to 31 per cent for the Liberals. Conservatives and Social Credit candidates each polled eight per cent.

THIRD LIBERAL LOSS

It was the third time in history that Saskatchewan's Liberal government rejected the Liberal Party.

The first was in 1929, when a coalition of Conservative and Progressive forces formed the government. The second was in 1944 when the CCF ousted the Liberals.

The previous legislature had an actual membership of 55, three members representing the armed services. The seats were discontinued.

ZOO WILL EVEN SHOW TERMITES

PITTSBURGH, June 25.—(AP)—"Come on, Pop, let's go out to the zoo and see the termites."

That sort of request won't be an impossibility among Pittsburgh's younger set in a few months, officials of the Pittsburgh zoo said yesterday.

The zoo people said they plan to establish a "zoo within zoo"—consisting of two glass enclosures to house such insects as termites, ants and spiders.

He has held the post for the past 10 years, succeeding the late P. W. Abbott, K.C.

Mr. Wilson will continue in office until his successor is appointed.

The executive committee was instructed to invite applications for the post, and to advertise the vacancy in western Canadian newspapers.

Directors expressed regret that Mr. Wilson was quitting the post and urged him to reconsider his decision.

Reference was made to the excellent progress made by the association under his direction.

Report Page 8.

Russians To Lift Berlin Blockade

HELMSTEDT, Germany, June 25.—(BUP)—Allied authorities here said today that the Soviet commander at Marienborn, on the Russian side of the zonal boundary, had announced that the border would be reopened Monday, June 28, for allied shipments to Berlin. (Earlier Report Page 8).

TWO NEW COMICS IN MONDAY'S BULLETIN

Two great comic strips have been added to The Bulletin's all-star cast of comics, and will make their appearance in Monday's Bulletin.

Both are wholesome strips which all the family can enjoy.

For adventure there is "Buz Sawyer," portraying the thrilling exploits of a daring aviator. And for laughs there are the woe and antics of Roscoe Sweeney, Sawyer's clumsy but faithful assistant and pal.

More laughs are provided in the strip "There Oughta be a Law." You are sure to meet people you know in this comic panel.

It is a laugh-provoking brand new strip on the habits and doings of the people down the street, the people you play cards with and the other folks you meet in your daily life.

Big Housing Project Started Near Airport

A \$526,000 house building project, to provide homes for married personnel of the North West Air Command and Western Army Command, has been started on a site near the airport, RCAF officials announced today.

The program calls for the construction of 50 houses this summer to be divided equally between Army and RCAF personnel.

Contracts for the big project has been let to Engineering Building, Alberta Ltd. and Main and Reness Ltd., Edmonton, who have been retained as consulting engineers.

The program will be carried out by the Department of National Defence and all 50 homes are expected to be ready for occupancy by fall.

Fourteen of the houses will be six-room bungalows, 12 will be semi-detached of five rooms each and the other 24 will be two-story houses with three rooms down stairs and three bedrooms and bath on the second floor.

Every house will be fully modern with all utilities. Full basements will be included in each house and forced air heating will be installed.

The big project is expected to relieve the housing situation for service personnel who are unable to find accommodation here for their families.

Council Clears Way For New Hotel Here

Way was cleared for the construction of a \$400,000 hotel in downtown Edmonton by city council Thursday.

Third reading was given a bylaw which rezones property on the civic centre to a three-story business district.

The bylaw clears the way for the issuance of a certificate by the provincial minister of public works.

Hon. D. B. MacMillan.

The certificate dispenses with the need to advertise the change in zoning, and the right of appeal is being retained sanction from provincial town planning authorities.

T. E. Gaudet, city councillor, told council members he had received assurances the necessary certificate would be issued immediately upon passage of the bylaw.

Warren to Run With Gov. Dewey

New Yorker and Californian Republican Party Nominees

By C. R. Blackburn
PHILADELPHIA, June 25.—(CP)—Thomas E. Dewey and Earl Warren were teamed today to contest the United States presidency and vice-presidency election this year for the Republican party.

Governor Dewey of New York was nominated unanimously last night by the party's 24th national convention. His nomination came on the third ballot.

The New York Governor today selected Warren, Governor of California, his choice to run as vice-president, and the convention gave Warren that post by acclamation.

Commission Will Probe Conrad Case

Royal Commission probing Alberta child welfare will investigate adoption files of the Conrad case Saturday, it was announced at today's hearing by Commission counsel J. C. Mahaffy, K.C. Hearing will be closed to the public.

Mrs. Clinton Conrad was acquitted on a murder charge by a jury Wednesday at Red Deer. She was on trial as a result of death of adopted two-year-old David Reid.

Two files on the Conrad case will be investigated by the Royal Commission: Alberta government file, which will arrive in Edmonton from Red Deer today; and court file which arrived here from Calgary earlier this week.

Chief Justice W. R. Howson, Commission chairman, told today's sitting that the three-man Commission unanimously decided to let the Conrad files in the same way as previous cases have been handled—confidentially.

RODGE counsel George Steer, K.C., and MLA Arthur Gray both told the Commission that the "public is expecting to hear about the case."

However, the commission decided that in interests of persons concerned, hearing will be in camera.

Harvard Aircraft Reported Missing

WINNIPEG, June 25.—(CP)—Two RCAF Dakota planes today will cover the air and railroad routes between Winnipeg and Fort William in a search for a civilian-owned Harvard craft, missing since yesterday, RCAF officials said.

The missing plane, along with a group headquarters said, was bought from War Assets at Calgary by Bab and Company of Montreal. After leaving Calgary, the plane was reported missing yesterday morning, then took off eastwards.

Women Fight as Wildcats In Reformatory Uprising

TORONTO, June 25.—(CP)—Fire hoses, chair legs, cups and saucers were used by prisoners of the Mercer Reformatory for Women today in a riot in which two policemen were injured.

Seventy-six police were called to the west King Street institution when about half of the 159 prisoners went on a combined hunger-strike in the dining hall.

In the fracas, Detective-Sergeant Samuel Welford suffered a broken wrist when struck with a table leg. A flying saucer cut a gash in the head of Det-Sgt. Arthur Keay, who required seven stitches.

Jean Milne, superintendent of the reformatory, was bitten on the arm.

Police say the women struck in protest against solitary confinement of another prisoner Thursday.

The women refused to eat, and would not leave when urged by guards.

The situation got out of hand when the prisoners began breaking cups and saucers and beating pots and pans as a mark of their displeasure.

City and provincial police were summoned and responded in 11 patrol cars.

Six detectives, first to enter the hall, were met with a barrage of plates, cups and saucers.

Inquest Opens Into Death Of Young Girl

Preliminary inquest into the death of Verle Holman, 19-year-old girl found dead in a city hotel Wednesday, began today at 10 a.m.

Dr. J. W. Bridge, coroner, presided at opening inquest held at Foster and McGarvey funeral home. Body of the young woman was identified at today's hearing, following which an indefinite adjournment was granted.

One man was arrested and charged with abortion following discovery of the Holman woman's body at city hotel Wednesday.

Charged is Thomas Freeman Reid, Suite 1020, U.S. Airbase.

Reid appeared in provincial court Thursday and was remanded until July 2 on \$10,000 bail. No plea was taken.

Funeral for the dead woman will be held Saturday, at 1:45 p.m. at Foster and McGarvey funeral home. Verle Holman is survived by her parents Mr. and Mrs. Goldwin Holman of Sunnyvale. One sister, Mrs. E. Oberle, lives in Edmonton. Interment will be in the Edmonton cemetery.

Marler Back From Paris

Delegates attending the international agricultural conference in Paris last month were unanimous in support of the international wheat agreement, according to Hoy C. Marler of Bremner, who returned to his farm in this district today.

Mr. Marler attended the conference as president of the Canadian Federation of Agriculture. He has been giving a report of the sessions to farm groups since his return to Canada about ten days ago.

He said there was general agreement some method must be found to distribute agricultural produce to the advantage of both producer and consumer.

International agreements, dealing with the distribution of rice and coffee, were also favored by the conference.

Mr. Marler said his group had been taken on a five-day tour of France and had seen, at first hand, the difficulties being faced by the French farmers.

Remarkable progress had been made in restoring the land, he said. Though French farmers were handicapped by what Canadians would regard as obsolete equipment. Only few tractors had been seen in the trip across France.

Another notable feature of French agriculture was the uniformity of livestock breeds.

Beef cattle were of a definite type and French dairy cattle also uniform, he said.

Farm Rented, No Home Man Buys Street Car

FLIGHT FAILS, OFFICER DIES

A mercy flight from Dawson Creek to Edmonton last week by an RCAF aircraft failed to save the life of a B.C. Provincial Police constable.

The police officer, Constable Edward Hamilton Tanner, 34, died in an Edmonton hospital Thursday.

He is suffering from a serious illness and rushed to Edmonton for special medical attention.

Constable Tanner had only been stationed at the northern post for about two years.

His body was shipped to Dawson Creek from here Thursday night.

He is survived by his wife, one son, Lyn Edward, his parents, Mr. and Mrs. H. E. Tanner of Northfield, B.C., an older brother, George of Northfield, and two sisters, Mrs. Florence Reid of Ottawa, and Mrs. Dorothy Lynchuk of Nanaimo.

He is survived by his wife, one son, Lyn Edward, his parents, Mr. and Mrs. H. E. Tanner of Northfield, B.C., an older brother, George of Northfield, and two sisters, Mrs. Florence Reid of Ottawa, and Mrs. Dorothy Lynchuk of Nanaimo.

By Jack Scott

And Mr. King is completely right. There is no swing to Socialism in Canada.

TURBULENT TALE of human emotions opens at the Rialto today when the RKO-Rank production "So Well Remembered" opens, starring John Mills, Martha Scott, Patricia Roc, Trevor Howard and Richard Carlson.

Inside Hollywood

By Bob Thomas

HOLLYWOOD.—(AP)—Movie stars are touring the country to get back in touch with the public and—oh, yes—to make some money. Dan Dailey wants to build a travelling unit of an orchestra and some vaudeville acts and he makes no bones about it.

"I'll tour the big cities where the money is," he said on the "Chicken Every Sunday" set. "I figure 10 weeks on the road will earn me about \$100,000."

He expects to make the trip next spring.

CALAMITY JANE

Yvonne DeCarlo of Vancouver is the latest to join the Calamity Jane sweepstakes. She is supposed to play the famed frontier gun gal in "The Story of Sam Bass," for which James Stewart is being courted. Meanwhile, Warner announced a Calamity Jane film for Doris Day, and Jane Russell played the character in "Palace" with Bob Hope. And remember

Jean Arthur's version in "The Plainsman."

Shirley Temple's mother, who did a wonderful job of rearing her famous tot, claims she herself has retired. But she often brings Shirley's lunch on the "Baltimore Express" and stays to renew memories. Mrs. Temple told me her granddaughter is the image of Shirley at the same age and has the same fascination for a camera. But a film career for the new "Little Miss Marker" is doubtful.

The Blue Grotto, on the Island of Capri, is a limestone cave, half filled with water. Sunlight entering through a submerged opening creates an unusual blue light.

Peacetime Draft Now Law in U.S.

President Truman Signs Bill To Induct Men From 19-25

WASHINGTON, June 25.—(AP)—President Truman yesterday signed the peacetime draft bill and two appropriation measures that give more than \$10,000,000,000 to the United States army, navy and air force.

His action on the conscription measure makes it law and stops the flood of enlistments in the National Guard and reserves by men 19 through 25 seeking to sidestep induction into the regular services.

Between 200,000 and 250,000 men are expected to be drafted the first year.

The first defence measure signed yesterday was the Navy money bill totalling \$3,740,000,000 for the fiscal year beginning July 1.

NAVY HAS BIG FUND

It includes funds to start the world's largest ship, a 65,000-ton aircraft carrier to cost about \$127,000,000. By using wartime reserves and previous appropriations, the Navy has more than \$5,000,000,000 to spend this year.

The Army and Air Force appropriation bill for \$6,705,418,153 will enable them to immediately begin building both manpower and equipment.

Signature of the draft bill makes Sept. 22, or 90 days from now, the possible beginning date of inductions. Registrations can begin at once, but Selective Service said it would take about six weeks to set up draft board machinery. This

84 YEARS OLD —HE'S FUSSY

SHANNON, Eire, June 25.—(AP)—Patrick Grace 84, yesterday left by plane for his home in Interlake, N.Y., after a fruitless two-month search for an Irish bride. The Irish-born farmer said present-day women in Eire do not come up to American standards.

would make the registration date around Aug. 15.

CAN'T EVADE DRAFT

Now that the draft is law, men 19 through 25 are automatically eligible for induction into the regular armed forces and no longer have the right to gain exemption by joining a reserve unit.

The draft bill exempts veterans with one year's service in peacetime or 90 days wartime service. The president is authorized to set up deferments for married men, those in essential occupations, and those in scientific or medical research and study.

High school students will be deferred until graduation or reaching the age of 20, and college students until the end of the school year.

Mrs. Joseph Gale's Funeral Monday

CALGARY, June 25.—(CP)—Funeral service will be held Monday for Mrs. Joseph Gale, 68, who died at her home here Wednesday. Native of Ireland, she resided at Stettler, Alta., from 1905 until moving to Calgary in 1936. Survivors include her husband, three sons, Cecil of Edmonton, Martin of Casper, Wyoming, and Joseph of Lethbridge; six daughters, Mrs. L. La Rose, Stettler, and five residing in the Calgary district.

GOLD DUST leads Walter Houston, Humphrey Bogart and Tim Holt into a fascinating tale of human greed in the picture story "Treasure of Sierra Madre" now showing at the Capitol Theatre.

South Alberta Road Conditions

CALGARY, June 25.—(CP)—The Alberta Motor Association announced yesterday No. 8 highway from Chief Mountain at the United States border, to Waterton is in better shape than the Carway-Carleton, Waterton route, Highway No. 3.

The Pincher Creek-Macleod road is rough and from Macleod to High River the surface is rough in many spots. From High River to Calgary, however, the road is in good shape. The Coote-Lethbridge border route is in good shape but from Lethbridge to Macleod the road is only fair. Lethbridge to Taber is good. Taber to Seven Persons, rough, and a detour from Seven Persons to Medicine Hat very rough.

The customary order of dish washing is silverware, then silver, plates, cups, saucers, serving dishes, platters, baking dishes, pots and pans.

'Flexible' Defence Policy Gov't. Aim

Defence Minister Says War At Any Time Is Possibility

By Douglas How

OTTAWA, June 25.—(CP)—Defence Minister Claxton last night in the commons envisaged the possibility of a 1,000-plane Soviet air attack on Canada and predicted confidently that it would be destroyed "within a short time."

But he also told the chamber that the probability of any such attack was "no slight at the present time that it is something that hardly needs being counted in the realm of active possibility."

He said the only possible aggressor upon Canada in the "immediate" future was Russia and that the only possible invasion routes were by sea and by air. The air route was more likely.

STRATEGIC VALUE NIL

He then considered the possibilities of an air armada of 1,000 four-engine planes carrying a division of troops and concluded that the strategic value would be "nil" because the planes all would be destroyed and the troops killed or captured.

He said Russian conduct has made defence a matter of major Canadian government policy. The Dominion's three main lines of defence would be recruited beyond the present target of 42,000.

Replying to opposition criticism of his departmental appropriations, Mr. Claxton gave the chamber a calm and deliberate estimate of the possibilities of foreign attack and flatly declared that the Soviet Union was the only possible source.

The two possible directions of attack, he said, were sea and air. By sea, the invasion route would lie across the Bering Strait to Alaska, the defence of which was the problem of the United States. Presumably, the American sea forces were sufficient to deal with any such threat.

By air, the invasion route would lie across the Bering Strait to Alaska, the defence of which was the problem of the United States. Presumably, the American sea forces were sufficient to deal with any such threat.

the authorized recruiting strength of 42,150.

He added: "We shall continue to recruit above the announced target figures, adding the additional man to active shore ships, bringing the army brigade group nearer to strength and to reactivate several air force stations."

(Original post-war target strength was roughly 50,000, but this was scaled down months ago.)

MORE FOR RCAF

Mr. Claxton said more money would be spent this year on aerial forces than on either the army or navy for the first time in history; that the first two regular fighter squadrons would be activated and based at Mont Joli and Baguville, Que., within 12 months and that \$3,000,000 would be spent to "accelerate" work on a jet engine and two-seater airplane frame being designed specifically for Canadian needs.

By Canadians, returned Mr. Claxton.

Launching an important debate, with a 6,000-word statement he told the Commons the government adheres to a "flexible" defence policy that visualizes the chance of war at any time, but does not anticipate and push-button conflict of any direct or heavy attack on Canada within the near future.

"Security cannot be bought for a billion (dollars) a year," he declared. "Rather, it must be patiently and anxiously striven for. The signs point clearly to countries like Canada having to face a long period of great uncertainty."

The minister declined to follow the United States into what he termed an "appalling" armaments race. But he did say he was now asking for new sums that would permit defence activities "generally in excess" of the \$55,000,000 increase after 1947-48 that was originally planned.

THREEFOLD AIMS

He pictured Canada's defence aims as threefold—to be ready to defend herself against sudden direct attack, to have a force schooled and equipped to act as a nucleus for expansion, and to "work out with other free nations plans for joint defence."

He branded Russia as the only possible aggressor and he said quite frankly that Canada hopes Europe's Western Union of five nations "grows into a North Atlantic security understanding" to meet her threat.

Gen. Pearson, opposition military critic, declared his belief that the Canadian defence forces would be found to be "impotent."

Practically, he said the forces now are 35,748 or 85 per cent of

the authorized recruiting strength of 42,150.

He added: "We shall continue to recruit above the announced target figures, adding the additional man to active shore ships, bringing the army brigade group nearer to strength and to reactivate several air force stations."

(Original post-war target strength was roughly 50,000, but this was scaled down months ago.)

MORE FOR RCAF

Mr. Claxton said more money would be spent this year on aerial forces than on either the army or navy for the first time in history; that the first two regular fighter squadrons would be activated and based at Mont Joli and Baguville, Que., within 12 months and that \$3,000,000 would be spent to "accelerate" work on a jet engine and two-seater airplane frame being designed specifically for Canadian needs.

By Canadians, returned Mr. Claxton.

Launching an important debate, with a 6,000-word statement he told the Commons the government adheres to a "flexible" defence policy that visualizes the chance of war at any time, but does not anticipate and push-button conflict of any direct or heavy attack on Canada within the near future.

"Security cannot be bought for a billion (dollars) a year," he declared. "Rather, it must be patiently and anxiously striven for. The signs point clearly to countries like Canada having to face a long period of great uncertainty."

The minister declined to follow the United States into what he termed an "appalling" armaments race. But he did say he was now asking for new sums that would permit defence activities "generally in excess" of the \$55,000,000 increase after 1947-48 that was originally planned.

THREEFOLD AIMS

He pictured Canada's defence aims as threefold—to be ready to defend herself against sudden direct attack, to have a force schooled and equipped to act as a nucleus for expansion, and to "work out with other free nations plans for joint defence."

He branded Russia as the only possible aggressor and he said quite frankly that Canada hopes Europe's Western Union of five nations "grows into a North Atlantic security understanding" to meet her threat.

Changes Made in Top Navy Executive Posts

OTTAWA, June 25.—(CP)—Changes in the navy's top executive posts in both coastal commands are included in appointments announced today by Defence Minister Claxton.

Rear Admiral E. R. Mainwaring, 47, of Duncan, B.C., flag officer Pacific coast, will become flag officer Atlantic coast Oct. 1 succeeding Rear Admiral C. R. H. Taylor of Weymouth, N.S., who will proceed on retirement leave.

Commodore H. G. DeWolf, 43, of Bedford, N.S., present chief of the air-staff carrier Magnificent, will become flag officer Pacific coast Sept. 8.

Command of the Magnificent goes to Commodore G. R. Miles, 46, of Halifax, N.B., at present chief of naval personnel. His place will be taken by Capt. W. B. Creery, 33, of Vancouver, now commanding officer of HMCS Royal Roads, a Canadian services college at Victoria.

Capt. H. S. Bayner of Bedford, N.S., in command of the HCN air section at Dartmouth, N.S., will take over at Royal Roads. Lt. Col. A. B. Fraser-Harris, 32, of Halifax, whose present appointment is commander (air) of the Dartmouth section, will assume Capt. Bayner's duties there.

The decision was taken despite initial opposition from United States delegates.

BEAUTY QUEEN IS UNCROWNED

ROME, June 25.—(AP)—"Miss Home University," crowned Wednesday, was uncrowned yesterday. Investigation showed that she was Francesca Lorenzini, whose charms were her unanimous nod of the judges, is not a student. So they picked Ornella de Filippo after carefully checking her university record.

Permission Given For Japan Study

WASHINGTON, June 25.—(AP)—The 11-nation Far Eastern Commission will permit representatives from each country to go to Japan to study technological advances made by Japanese industry. It was reported yesterday. The decision was taken despite initial opposition from United States delegates.

Trieste Labor Offices Wrecked

TRIESTE, June 25.—(AP)—Pro-Communist union members attacked and partly wrecked the Chamber of Labor headquarters yesterday, seriously injuring two members of the pro-Italian trade union. Police intervention prevented further damage.

UNABLE TO KEEP seven children on father's meagre pay as radio announcer, Mr. and Mrs. William Harvey, of Miami, have put their four boys and three girls out for adoption to families in better financial circumstances.

Saskatchewan Polls Record Provincial Vote

REGINA, June 25.—(CP)—Saskatchewan polled its largest provincial-election vote yesterday. Incomplete Canadian Press compilations indicated that the 1938 record of 446,273 would be exceeded—possibly by some 60,000 votes—when returns are completed.

With almost 460,000 ballots counted, the party-vote percentages were as follows, compared to the last two elections:

	1948	1944	1938
CCF	47	53	19
Liberals	31	25	45
Progressive Conservative	8	11	12
Other Credit	14	—	16
Social	8	1	8

Following is The Canadian Press list of party gains:
Liberals (15).
From CCF—Souris-Estevan, Gravelbourg, Melville, Qu'Appelle, Wainwright, Pelly, Saltcoats, Meadow Lake, Humboldt, The Battlefords, Redberry, Maple Creek, Turtletford, Wilkie, Melfort, Kinistino.

Soviets Blockade Food To Allied Berlin Zones

BERLIN, June 25.—(AP)—The Russians today ordered that no more food from their zone be sent into the western-occupied sectors of Berlin.

They stopped traffic yesterday on the single railroad line supplying those sectors with food from the western occupation zones.

The blockade left the air the only way to get food in to the 2,000,000 inhabitants of the British, American, and French sectors. Allied experts said that would prove unworkable in the long run.

British and American authorities said a month's food stocks are on hand in the western sectors and nobody will starve.

The people remained outwardly calm in the face of efforts of the Soviet-controlled press to spread fear of hunger and unemployment and a Russian threat to keep the rail freight tieup on indefinitely.

By their action the Russians withdrew from the four-power food pool which for nearly three years has been feeding Berlin.

In London, Foreign Secretary Bevin told the house of commons that a "delicate state of affairs" exists in Russian-blockaded Berlin.

He said the Russian embargo on road and rail shipments from the west, and interrupted power sent fear of hunger and unemployment in the city, have resulted in a serious situation.

To a question whether Britain intends to stay permanently in Berlin, he said he made some days ago—apparently referring to an address made at the labor party conference last month, when he said British occupation forces will remain in Berlin "whatever provocation there may be."

FIREMEN COME TO THE RESCUE

CALGARY, June 25.—(CP)—The city fire department turned out right gallantly last night to aid a damsel in distress. A Calgary matron phoned the department for advice on getting into her home when she found she was locked out. Firemen mounted a ladder to open a second storey window and let her in.

Israel Crisis Is Weathered

TEL AVIV, June 25.—(BUP)—The government of Israel appeared today to have weathered its first major crisis, but only at the cost of driving the Irgun Zvai Leumi back underground.

Parliament endorsed Premier David Ben Gurion's use of force against the Irgunists when they defied the government. The vote was 24 to 4, with five abstentions.

The members also approved a proposal for a ministerial inquiry into Irgunist claims in connection with the battling touched off by the attempt to land arms from the gun-running ship Altalena. Seven ministers were named to conduct the inquiry.

The group was commissioned to lay plans for a unified army of Israel, without quasi-independent units such as the Irgun Zvai Leumi or the Stern group. The government held that when the army was unified, amnesty would be granted to dissidents if they called.

The Irgunists evacuated their Tel Aviv headquarters and announced that "we are going back underground. We shall lie low."

Chairman Named

GENEVA, June 25.—(AP)—The United Nations world health organization yesterday elected Dr. Andrija Stampar, 60, of Yugoslavia, as chairman of its first assembly.

BIT OF PROFIT AFTER HIS FINE

ROCHESTER, N.H., June 25.—(AP)—Raymond Beaulieu was fined \$75 in municipal court here for driving an unregistered car without a licence. Beaulieu, said he had no money to pay the fines. Escorted by a policeman, he went out and sold the car, returned and paid the fines. Police said he made a little profit on the deal.

Conference Urged On Coarse Grains

CALGARY, June 25.—(CP)—A conference of federal and prairie provincial governments and prairie farm organizations is being urged by farmers' representatives to discuss the coarse grains issue. Roy Marler of Bremner, Alta., said last night.

Mr. Marler, chairman of the Alberta Federation of Agriculture, said Premier Garson of Manitoba has been asked to obtain the consent of the federal government for such a conference. Mr. Garson now is in Ottawa.

Russia, Satellites Urge Canada's Gold Reserves Up

WARSAW, June 25.—(AP)—Russia and seven other European countries today urged that a "provisional democratic, peace-loving all-German government" be set up.

They did so in a communique by their foreign ministers, who ended a two-day conference at midnight in Wilanow Palace, eight miles east of here.

The communique as broadcast by the Moscow radio and distributed in London by Tass, Russian news agency, said an all-German government should be created by Big-Four agreement.

REVIEW LONDON PARLEY

The foreign ministers, including V. M. Molotov of Russia, said the government in Germany should be made up of representatives of democratic parties and organizations and should guarantee against any more German aggression.

In the conference with Russia were Albania, Bulgaria, Czechoslovakia, Hungary, Poland, Romania and Yugoslavia.

Delegates talked over a recent London conference when six western powers agreed to set up a federal government in western Germany.

The Warsaw communique said the governments that took part "consider as urgent":

1. German demilitarization by agreement of the Big Four—Russia, Britain, the United States and France.

2. Big-Four control "for a definite period" over the Ruhr's heavy industry to keep from restoring Germany's war potential.

3. Creation by four-power agreement of a "provisional democratic, all-German government" with the aim of "creating guarantees against repetition of German aggression."

4. Conclusion of a peace treaty with Germany and withdrawal of all occupation troops a year later.

5. Measures on fulfillment by Germany of her reparations obligations towards the states which suffered from German aggression."

OTTAWA, June 25.—(CP)—Canada's reserves of gold and United States dollars totalled \$742,000,000 at June 23, compared with a low of \$461,000,000 last December 17, Finance Minister Abbott reported to the Commons today.

At the same time, he disclosed that import restrictions on fresh fruits and vegetables from the United States will be relaxed by the end of this year.

Steps also will be taken this fall to allow the import of British West Indian tomatoes so Canadians will have a reasonable supply of lettuce, tomatoes and citrus fruits next winter when Canadian production is low.

Salonika Blast

ATHENS, June 25.—(AP)—A bomb exploded in Salonika's central telephone exchange yesterday, injuring nine persons. Government officials blamed the explosion on Communists.

LIBERALS NAME NEW CANDIDATE

HANNA, Alta., June 24.—(CP)—J. H. Cramer, long-time mayor of the Municipality of Hanna, was elected Liberal candidate for the Hanna riding at the Liberal provincial convention held Wednesday night.

89 Institutes In District 3

MILLET, June 25.—Mrs. T. H. Howes, district director AWI, has returned from a 10-day conference trip. Meetings were held at Drumheller, Cereal, Didsbury, Delburne, Sylvan Lake and Red Deer. Each conference was well attended, wonderful interest being shown.

Mrs. Howes holds high hopes for many new institutes to be formed in District No. 3 now has 89 active institutes and 22 girls' clubs. Constituency conferences will be held in Wetaskiwin July 8, Strathmore July 9, and Hughenden July 10.

Wild Fowl Hit By High Water In Jasper Area

JASPER PARK LODGE, June 25.—The sudden high waters in the rivers and streams in the Jasper Park area this spring may considerably reduce the wild water fowl population, according to Dick (not short for Richard) Bird, ARPS, FZS, well-known Canadian naturalist of Regina, Sask.

Evidence to that effect has been found in the course of his work here making a motion picture on Rocky Mountain wild life for the Dominion government.

Mr. Bird, in displaying a color motion picture to guests of Jasper Park Lodge last night, said he believed the Canada geese would be most affected by the flood conditions. The waters rose rapidly after the birds had nested, washing out the eggs and destroying this year's hatch.

Significant also, he stated, was the fact he had seen large groups of Canada geese together at this time of year when they should be paired and nesting.

Tractor Injures Tofield Farmer

TOFIELD, June 25.—Severn Hansen, of the Bardo district, was severely injured in a tractor accident a few days ago. Mr. Hansen was backing the tractor to hitch a trailer. He fell off and the tractor passed over a part of his chest and a shoulder, breaking several ribs and causing internal injuries.

Rosalind Crops In Good Shape

ROSALIND, June 25.—Crops in this district compare favorably with those of other years, both in acreage and progress.

About three inches of rain fell Tuesday. There had been intermittent showers Sunday and Monday and the area also had a heavy rain the previous week. As a result, crops are coming along well.

Annual sports day has been set for July 7 and a full program of attractions has been arranged.

Clinic to Visit Didsbury June 30

DIDSBURY, June 25.—The Red Cross blood clinic will be in Didsbury on Wednesday, June 30.

Didsbury Lions are sponsoring a drive for funds for the Salvation Army.

Haydyn Chandler, of Sheffield, Eng., is visiting his brother here whom he had not seen for 45 years.

Two Hills Teachers Attend Spring Rally

TWO HILLS, June 25.—Two Hills teachers' spring rally was held in Two Hills on Saturday, June 19, with 58 teachers in attendance. Mr. Geleta, mayor of the town, welcomed the teachers and wished the rally every success.

N. Myskiw, president of the Two Hills Local spoke on the importance of the teacher in the present unsettled world and of after school activities for the children. Mr. district representative, "Public Relations and Publicity" was the topic planned the tabulation forms of the then dealt with by E. G. Ansley, general secretary of the ATA. Mr. Synnige, chairman of the division, that the preparation of these survey tests by sub-local gave a stimulus to better teaching.

The afternoon program began with a report by the secretary of the salary negotiations committee, Mr. Sklopovich of Willingdon. As negotiations had not been completed held in the Town Hall. Mr. Mc-Donnell of the Faculty of Education, University of Alberta, was guest speaker. He spoke about his quick review of the salary situation in the other divisions in the province.

Esther Minister Accepts 'Call'

ESTHER, June 25.—A farewell sermon was delivered by the Rev. E. Milroy in the community hall at Esther on Sunday, June 20. Rev. Mr. Milroy has accepted a call to go to Woodrow and Morin in south Saskatchewan where he will take over a four-point charge in the Assiniboia Presbytery.

For the time being the Lovena charge will be without the services of an ordained minister, but Mr. William Stevens of Hoosier has consented to conduct regular services at the points of Lovena, Esther and Hoosier. Mr. Stevens is a student from the Calgary Prophetic Bible Institute and plans to return to his studies in October.

He stressed that happy human relations between teacher and pupils created a delightful attitude and a happy environment in the schoolroom. A singing led by Mrs. N. Myskiw, concluded the rally.

DUCK DISCOVERS NEST 'COMES HIGH'

WESTLOCK, June 25.—Even for the birds, there is a shortage of accommodation and living has gone up. At least, that applies to a duck on the farm of Mr. and Mrs. Gus Persson, and can be vouched for by 11-year-old Marion Persson, who has kept careful tabs.

During the flood, a nest once built and occupied by a crow was just at the then-water's edge, and was spied by a duck with housekeeping in mind. The duck usurped the nest and laid the expected eggs.

But now that the flood has gone down, the duck finds that she is a real tree dweller for the former water's edge location is now dry land, and the nest about 10 feet up in the air.

High and dry, the duck isn't concerned a bit, "housing being what it is," she shrugs.

REASON FOR CRASH (panel light may have contributed to the crash of a Pan-American Airline yesterday failure of an instrument) 15, in which 39 persons were killed.

Willingdon Adds Booth, Bleachers

WILLINGDON, June 25.—Willingdon Sports Association has built a booth and bleachers in the recreation grounds here. In the past temporary booths were built as required and no seating accommodation was provided for the public, so the Sports Association is to be congratulated on this improvement.

G. Kolotyluk and M. G. Toma are now arranging to have the school lands they recently purchased surveyed and subdivided into residential lots of generous size, some being 60 by 200 feet and others 60 by 125 feet.

Predict Influx 200,000 Tourists

DAWSON CREEK, B.C., June 25.—A representative of the American Automobile Association and a "Life" photographer, were bussed visitors in Dawson Creek last week. They are en route to Alaska gathering material for a tourist pamphlet to be published by the AAA.

Reliable information on accommodation, meals, service stations along the Alaska Highway will be contained in the booklet. F. C. Durkin and J. R. Eyerman, the photographer, stated that Dawson Creek can expect an influx of tourists numbering 200,000 this season.

Tofield Hotelman Named Director

TOFIELD, June 25.—C. L. Bray and his son Vernon, attended the convention of the Alberta Hotel Men's Association held recently in Edmonton. C. L. Bray was elected director of the association.

Tofield band supplied music at the recent "Old Timers' Picnic" held at Lakeview.

Procter & Gamble's Amazing New DISCOVERY

made to do your whole family wash

it's TIDE
you've never used anything like it!

Here is a completely NEW washing product—a result of wartime research—made especially to do your whole family wash. Get set for a miracle the first time you wash with Tide—for Tide does what's never been done before—washes clothes cleaner than any soap, yet leaves colors brighter! And get set for a surprise when you first see Tide's wonder suds! They look different, feel different . . . they billow up thick and fast even in hardest water!

ONLY Tide DOES ALL FOUR!

1. Washes clothes CLEANER!

Yes, cleaner than any soap made! Dump in the greasy overalls, the grimy play clothes . . . watch Tide's amazing suds go to work! Tide not only leaves clothes free from ordinary dirt, but actually removes dingy soap film as well! Try Tide next washday . . . it's a modern miracle!

2. Gets clothes dazzling white—they're CLEANER!

Wait till you see the dazzling whiteness Tide gives white clothes! And sheets, shirts, pillowcases, keep their gleaming whiteness, week after week!

3. Actually brightens colors—they're CLEANER!

Wait till you see your colored clothes come out with that spanking clean, shining bright Tide-washed look! Tide actually brightens your gay print dresses! Does it safely too! Yes, Tide is safe for all your bright washable colors!

Made in Canada
A Hyman
Product

4. Gives more suds—

Prove it in your dishpan!

Kind-to-hands suds! Faster suds! Longer-lasting suds than any soap in hardest water! Tide cuts grease like magic . . . washes dishes cleaner than any soap! No scum in the water! No cloudy film! Dishes and glasses rinse and dry sparkling clear—even without wiping!

GUARANTEE
Procter & Gamble guarantee that Tide will do everything claimed for it in this advertisement. If you are not completely satisfied, return the unused portion of your package to dealer, and the purchase price will be refunded.

TIDE'S IN-DIRT'S OUT!

TIDE WORKS EXTRA MIRACLES IN HARD WATER! OCEANS OF SUDS! NO WATER SOFTENERS NEEDED!

WET TO THE SKIN, but still able to smile are these three golfers being kidded by Doug Kilburn, (right), dressed in "storm-proof" clothing. The drenched contestants in the provincial amateur are, from the left, Tom McCready, Fred Campbell and Leo Leclair.

Ring Diamond Belt on Tap For Edmonton Next Spring

Edmonton will be the scene of the western Canada Diamond Belt of boxing next spring, Cameron "Red" McNicoll, president of the AAU (Alberta branch), told an eager group of fighters and wrestlers at a banquet in the Coronado hotel Thursday night.

The occasion was the Edmonton Amateur Boxing and Wrestling Association get-together honor local fighters who took part in the provincial, northern Alberta and Olympic trials events in June. McNicoll, who is in the chair of the EABWA, was in the chair.

McNicoll told the 75 miltlingers, grunts and groaners and officials in attendance that the Diamond Belt (1947 version held at Vancouver recently) will be staged here in March or April next.

He added that Alberta fighters to the Olympic trials in Vancouver made a wonderful showing. "We were robbed on three, and at least two of the boys should have gone."

Most valuable boxer in Edmonton—Gordon Kiddell—received the Nobby Clarke Trophy from Chairman Cowan, and to Hugh McDonald went the Derry Derrington Trophy for being the most outstanding city amateur milt-slinger.

Jack Reilly of the Recreation Commission, and "Red" McNicoll, a couple of amateur "work horses" were on the receiving end of a couple of valuable tokens of appreciation for their valuable service during the past season.

"Red," the traveller of the group, got a nifty travelling bag, and Reilly was the recipient of a fine trophy. Believe it or not, Jack was at a loss for words.

Champions and runners-up who came in for medals and certificates for the provincial and northern Alberta events were: Neil Neville, Jim Crossen, Buddy McDonald, C. K. Kasper, Morton Campbell, Herbie Lutz, Lyle Newman, Gerald Dahms, Gordon McKenna, Don McArdie, Jim Parker, Pete Nuthall, Hugh McDonald, Bob Bacon, Nestor Ludwig, Reg Knit, Ken McEwen, Bill Spring, Art Colley, Jim Hand, John Stranach, Don McGregor and Richard Smith.

Those at the head table were: Chairman Cowan; McNicoll; Derry Derrington; Dr. Lee Dowie, the boxing commission; A. G. Shute, boxing commission chairman; Reilly, Charlie Deane, first vice-president of the EABWA; L. P. Davis, director of publicity for the provincial government; Alderman Sid Parsons; Alex Wynniachuk, EABWA vice-president; Frank Hol-

Heafner and Keiser Lead 4-Ball Tourney

TOLEDO, O., June 25.—(AP)—Big Clayton Heafner of Charlotte, N.C., and Herman Keiser of Akron, O., blasted into the lead Thursday in the opening round of the \$10,650 Inverness four-ball golf matches.

The drawing southerners clipped seven strokes off par with a 32-64 performance to finish five up on former champion Lloyd Mangrum and Dick Metzger, who turned in the poorest best-ball score of the rain-sogged round, a 69.

DEMARET-HOGAN SECOND

The golden boy of golf, Jimmy Demaret and open champion Ben Hogan, favored to win this tourney which they have topped three of the last four times, were next in line with a three-up wig over Dr. Cary Middlecoff of Memphis and Jim Ferrier, the former Australian who won the 1947 PGA laurels.

Hogan and Demaret had a best ball of 65 after clipping four strokes off par on the front nine with 31, all played in a driving rain storm.

E. J. (Dutch) Harrison from Little Rock, Ark., and Archie Wilder, former PGA king had the best round of the day, a 33-63, eight strokes off par, but could manufacture only a two-up edge over the two hotshots.

Off the cuts: At 217 Tony Maze is by no means the dangerous hitter of last season. Esk putchers couldn't get "Babe" Work out last week-end and the Buff first-sacker has taken over in the RB1 branch with 30. Surprisingly Dick Noon, Purity outsider who doesn't hit much at Renfrew but is a ball of fire in hat-box Buffalo Stadium, is next with 26.

Ed Morris has slipped under the 300 mark by a couple of points. Considering his background, he should hit 375 or better in this company. Woody Huckabay, Purity, boasts a 203 record but is good for him. Top in homers is Archie Wilder. He has eight.

Stocky Doug Stevenson Becomes a Feared Hitter

Outstanding development in Big Four Baseball League circles this season is the emergence of Doug Stevenson as a feared hitter.

While most of the stickers in Henry J. Roche's tidy inter-city loop have been giving some ground in the past couple of weeks the Cub catcher continues to mount the ladder.

Very latest batch of averages released Thursday by the statistician Hal Dean, discloses that the Stevenson swat mark is a tidy 35. The 35th place holder holds down fifth place. He has solved enemy hurling for 29 hits in 111 trips to the batter's box. Included are even doubles to place Stevenson with the leaders in this department.

Right on the beam in the renfrew-batted-in section with 16 in 30 games.

SNOW WHITE ROLE

Ernie Beland, Purity 99, continues to hold down the Snow White

Beland Still Tops Big Four Batsmen

Big Four Inter-City Baseball League official batting averages as at June 22, 1948, from the office of President Henry J. Roche. Following list includes players hitting over .300 who have been at bat more than 45 times.

Capt. R. G. Cavell Canadian Club Guest

'Canada and Future of World Peace'
Subject of Address at Clubs' Luncheon

Captain R. G. Cavell will be guest speaker at a joint luncheon of the Women's and Men's Canadian Clubs Tuesday. The luncheon in celebration of Dominion Day will be held in the main dining room of the Macdonald hotel at 12:15 p.m.

Chairman of the National Executive of the Canadian Institute of International Affairs, Capt. Cavell will speak on Canada and the Future of World Peace.

He spent 14 years in the Indian Army during which time he travelled in the diplomatic corps for the Indian government. From India Capt. Cavell went to Africa and then to China until the outbreak of World War II.

Returning to Canada he accepted

the position of vice-president of

Guests at the head table will be His Honor J. G. Gov. J. C. Bowen and Mrs. Bowen, Hon. E. C. Manning and Mrs. Manning, Hon. Chief Justice W. L. H. Brown and Mrs. Brown, the Rev. G. M. Edwards and Mrs. Edwards, Mrs. W. G. Firth, Dr. F. S. McCall and Robert Muir.

Members are reminded that 1948 luncheon can be paid when obtaining luncheon ticket.

Strasser Hall Setting For Kiwanis Ladies' Tea

Summer blossoms decorated Strasser Hall for the tea held recently by the women of the Kiwanis Ladies' Club. Strasser Hall is the recreational unit of the Kiwanis Children's Home.

Receiving the guests were Mr. and Mrs. J. K. Munro, Mr. and Mrs. Walter Sprague, Mrs. Guy Greenwood and Mrs. N. Cox.

Flowers were also used to brighten the music rooms. Display of handkerchiefs and hobby work done by children of the home, under the guidance of Mrs. J. Butler, recreation director, was exhibited.

Among the exhibits were crayon and water color works, wall plaques, shell and hand work and scrap books. The music room is provided for children taking music lessons. Set in a lace cloth the tea table was centered with a bowl of pink carnations and white peonies and flanked by white plaques.

The tea was convoked by Mrs. C. V. Humphrey, assisted by Mrs. W. Grierson and Mrs. H. Matfield. Presiding at the tea were Mrs. J. W. Fry, Mrs. Frank King, Mrs. Eva Matheson, Mrs. R. D. Sinclair, Mrs. E. W. Kane and Mrs. R. B. Chilton.

Assisting at the tea as hostesses were Mrs. S. K. McGowan, Mrs. E. K. Hayward and Mrs. Fred Thorne. Harry Matfield was in charge of the serving and those assisting in serving were Mrs. D. Edmondson, Mrs. Ted Brown, Mrs. W. St. Clair, Mrs. W. McNeil, Mrs. C. C. Monteith, Mrs. L. G. Puseley, Mrs. L. H. Jones, Mrs. Carl Hanson, Mrs. H. Pattington, Mrs. I. Strachan, Mrs. James Christensen, Mrs. H. S. Sheppard, Mrs. L. W. White and Miss Alice Edmondson.

Mrs. James Douglas was in charge of the silver, collection, decorations, guest book registration and home signposting.

She was assisted by Mrs. W. Strachan, Mrs. C. E. Gairner, Mrs. Colvin Hamly, Mrs. H. M. Mullis, Mrs. J. H. Miller, Mrs. J. Thornton, Mrs. E. F. McGarvey, Mrs. M. C. McDaniel, Mrs. A. Cummins, Mrs. Mrs. Clyde Lusk, Mrs. W. Grierson and Mrs. E. H. Molstad.

Mrs. James Chilton gave an impromptu piano recital.

At present there are about 30 children in the home and it was announced that the buildings and equipment are in the best condition. The home is supported by the Kiwanis Club, largely from the proceeds of the annual apple sales campaign.

Results for Trophy Games Announced

Results of games played in the R. C. Marshall Trophy are as follows:

June 4, Municipal, 35 points; Mayfair, 5 points; Central Club, 35 points and Highland, 5 points.
June 29, Municipal, 29 points; Mayfair, 11 points; Country Club, 17 points and Highland, 32 points.
Next game will be played July 4.

St. Joseph's Staff Hold Benefit Concert

Staff concert in aid of St. Joseph's hospital will be held at the hospital Tuesday at 8 p.m.

Refine draw will take place.

Phyllis Zerp Recent Bride

White satin and lace was chosen as a wedding gown by Miss Phyllis Zerp when she became the bride of Peter Hanak in a double ceremony at St. Joseph's Cathedral recently. Rev. Fr. S. Kurylo officiated before an altar banked with fern and pink and white peonies.

The bride is the daughter of Mr. and Mrs. Joseph Zerp and the bridegroom is the son of Mr. and Mrs. Samuel Hanak, all of Edmonton.

Josephine Romanuk, Fay Hanak and Mary Hnatkowski were bridesmaids. They were similarly styled gowns of taffeta, the first two in pink and the latter in blue. Picture hats and colonial bouquets of roses, carnations and daisies completed their costumes.

John Hanak, Ralph Pechanec and Metro Gorkuk attended the bridegroom and ushers were Stanley Elinski and Phyllis Zerp.

Miss Kay Hanak, sister of the bridegroom, was soloist, singing Ave Maria.

A reception for 120 guests was held at the Corona hotel where the bride's table was centered with a tiered wedding cake flanked by tall tapers and bouquets of carnations and peonies.

Bachelor Kurylo and John Sienko proposed the toast.

For a wedding trip the bride changed to a white tulle gown with pale blue accessories and a carriage of beach-colored roses.

The couple will live at 12318 23 street.

Out-of-town guests included Mr. and Mrs. Philip Sirotski, Mr. and Mrs. A. Pichota, J. Pichota and P. Pichota, all of Edmonton; Mr. and Mrs. M. Pichota of Colorado.

Westlaw Bowling Tournament July 1

Mixed bowling tournament will be held by the Westlaw Bowling Club July 1 at 2:15 p.m.

Entries may be phoned to 83472 or 84227. Tea, cream and sugar will be supplied for the lunch.

SHOWER to honor Mary Lynch, Marjorie Petrovich and Bernice Thengstad was held recently at the home of Mrs. R. W. Gerzitz, Thirteenth avenue, from the Provincial Secretary's Department were present.

Red and white peonies decorated the home for the occasion. Prizes at games were won by Bernice Thengstad, Mary Lynch and Anna Hladky.

Gift of kitchenware was presented to Mary Lynch, gift of linen to Marjorie Petrovich and a toaster and set of pyrex ware to Bernice Thengstad.

BASKETS of blossoms decorated the Immaculate Conception Church for the recent wedding of Gerda Brenda Anderson and George John Trudel. The bride is the daughter of the late Mr. and Mrs. E. Anderson, Whitecourt and the bridegroom is the son of Mr. and Mrs. George Trudel.

YWCA Directors Name New Staff Members

New appointments were announced at a meeting of the YWCA Board of Directors held Wednesday.

Mrs. A. L. Magrath reported that Miss Edna Nelson has accepted the position of director of the cafeteria. She is a graduate of the University of Alberta in household economics and received practical training at Eaton's in Montreal.

Miss Catherine Bond as assistant in the girls' work department. She is a graduate in education of the University of Alberta and has had teaching experience.

A presentation was made to Miss Broad.

Miss Joyce McLean will take charge of the physical education department during July and August. Miss Ruth Douglas, assistant, was given leave of absence to attend the health and recreation leadership course at Red Deer.

The president reported that P. W. Mills has become a member of the advisory council. The council is considering the advisability of beginning an extension of the YWCA next spring.

Membership in the Canadian Association of Consumers was discussed by Miss Frances Gervy who commended the work done by this group.

Mrs. R. V. Gee gave an account of activities in the health education department. Children from Alex Taylor, Mackay Avenue and Queen's Avenue schools are taking swimming instruction throughout June. Examinations for life saving awards and medals were held. Medallions were passed by 15 students.

Mrs. Kent Purdy in the devotional emphasized the need for Christian living in practical everyday affairs.

Ten was served by the social committee. Members of the staff were invited. Mrs. C. W. Macdonald presided at the tea table which was set with a lace cloth and decorated with bouquets of peonies.

Every now and then women are startled with statistics showing just where and how they spend their money.

They read the average woman spends \$6 of every dollar on clothes—and in addition millions of dollars are spent each year for cosmetics.

Canada women do not apparently spend as much time and money on personal adornment as women in other countries (the American women).

But, according to Montreal designers, the important English and Scotch fabrics are not in Canada help to revitalize better tailors. These fabrics are probably high-priced in the United States.

Once the spring and summer season clothes are successfully launched, designers are set on full trends in fashion.

The "New Look" will be the "Old Look" by fall as the silhouette goes through a complete metamorphosis.

Suits with straight skirts will predominate, according to one eastern designer. Women should wear full skirts with a flare of natural shoulders, with less padding.

Some suits will feature narrow fronts with full in the back but the ballerina suit—such a rave of the spring season—lives way down the list of the style notes.

Reuffed patterns will be as popular as they are now... but are increasingly popular with a smooth fit and tailored cut still carry the majority vote.

Blouses, as usual, will be well-represented, as will the busy blouse, and the light pastel blouse.

Simple, colorful and lively color combinations will be the highlight of fall millinery fashions. Crowns will be head-turning and brims moderate.

TRADITIONAL ivory satin was chosen by Irene Phyllis King for her marriage to Nicholas Krook. The bride is the daughter of Mr. and Mrs. Jack King and the bridegroom is the son of Mrs. Mary Krook and the late Mr. Krook, all of Edmonton. —Photo by Gazette Studio

Delphiniums Bank Altar For Holowach-Ostry Vows

Baskets of white and pink peonies and blue delphiniums decorated Robertson United Church Wednesday evening for the wedding of Stephanie (Stella) Ostry and Walter Holowach.

The Rev. Angus MacQueen performed the ceremony and Roy Collins played the wedding music.

The bride is the daughter of Mr. and Mrs. N. M. Ostry (Zinuk) and the bridegroom the son of Mr. and Mrs. S. Holowach.

Given in marriage by her father, the bride wore a dress of white satin fashioned on Victorian lines. It featured a high neckline, net and lace yoke, long sleeves, padded hips and a full skirt terminating in a train.

Sprays of apple blossom and Tallinn roses held her long net veil to her head and she carried a prayer book marked with white streamers. Tallinn roses and shepherds' crocus were in the bridesmaid's bouquet. Her jewelry was a topaz necklace and earrings, gift of the bridegroom.

Mrs. Kenneth McFadyen of Calgary attended the bride as matron-of-honor. She wore a dress of green and wore a pink and blue complemented with a matching corsage and carried a nosegay of roses.

Fred Horn was best man and usher, wearing Ambrose Holowach and S. Holowach.

At a reception for the bride and the bride's sisters at the Macdonald hotel, Mrs. Ostry received the guests wearing a gown of rose crepe with blue accessories and corsage of cream roses.

A three-tier wedding cake centered the bride's table. M. A. Zaluski prepared the food to the bride's guests at the reception.

The bride and groom will take up residence in Edmonton.

The bride's sisters, Mrs. M. A. Zaluski and Mrs. M. A. Zaluski, will take up residence in Edmonton.

The bride's sisters, Mrs. M. A. Zaluski and Mrs. M. A. Zaluski, will take up residence in Edmonton.

Business Girls Watch Special Career Menus

Girl With Job Has Tendency To Live on Light Sandwiches

OTTAWA, June 25.—(CP)—A sandwich for lunch and another for supper isn't enough for a girl with a job. In its booklet, "It's Good Business, Girls, To Eat Well," the nutrition division of the health and welfare department comes up with the following suggested career menus for the week:

SUNDAY: Breakfast—Half a grapefruit, buttered whole grain griddle cakes and syrup beverage. Lunch—Soup, salad greens, buttered whole grain rolls, sliced fruit with cream, cookies. Dinner—Steak, potatoes, vegetable, bread and butter, ice cream, beverage.

MONDAY: Breakfast—Citrus fruit (orange, grapefruit) or tomato juice, cooked whole grain cereal (rolled oats, cracked wheat), buttered toast, beverage. Lunch—Meat, cheese, eggs, or peanut butter sandwiches, raw vegetables, cake, milk. Dinner—Meat, potatoes, corn, carrots, squash or yellow beans, bread and butter, fruit, beverage.

TUESDAY: Breakfast—Cooked cereal, fruit, all-soft, shredded wheat, or muffins, buttered toast, beverage. Lunch—Meat sandwiches, citrus fruit, cookies, milk. Dinner—Tomato juice, meat, potato, corn, or macaroni and cheese, green beans, peas, spinach, or cabbage, bread and butter, cake, beverage.

WEDNESDAY: Breakfast—Citrus fruit, cooked whole grain cereal, buttered toast, beverage. Lunch—Meat sandwiches, raw vegetables, cake, milk. Dinner—Meat, potatoes, yellow vegetables, bread and butter, cooked fruit, beverage.

THURSDAY: Breakfast—Fresh fruit, prepared whole grain cereal, buttered toast, beverage. Lunch—Devilled eggs, bread and butter, citrus fruit or tomatoes, tart, milk. Dinner—Meat, potatoes, green vegetables, bread and butter, fruit, beverage.

FRIDAY: Breakfast—Fruit juice, egg, buttered toast, beverage. Lunch—Meat sandwiches, shredded carrots, cooked whole grain cereal (with raisins), white grain cereal (with raisins), yellow vegetables, bread and butter, cooked fruit, beverage.

SATURDAY: Breakfast—Half a grapefruit, cooked whole grain cereal, buttered toast, beverage. Lunch—Meat sandwiches, raw vegetables, cake, milk. Dinner—Meat and eggs, baked potatoes, bread and butter, fruit, pie, beverage.

If she wants to keep that sparkle in her smile the health and welfare department urges well balanced meals.

Canada's health foods demand that adults eat daily: one half to one pint of milk; one serving of citrus fruit or tomatoes or their juices; and one serving of other fruit; at least one serving of potatoes; at least two servings of other vegetables, preferably leafy, green or yellow; and frequently raw; one serving of a whole grain cereal; and at least four slices of Canada's approved Vitamin B bread (whole wheat, brown or white) with butter; one serving of meat, fish, poultry, or meat alternatives, such as beans, peas, nuts, eggs and cheese. Also use eggs and cheese at least three times a week and liver frequently.

Tiny Women Wary Of Extreme Styles

When the petite-sized woman takes on any midsize gain in weight, her clothes must be made more carefully chosen. The extreme fashions of the "new look" which are apt to be flattering to her figure should be rejected by the small plump woman.

Not for her, for example, are skirts with extravagant flare, hippy pockets, or unpadding shoulder lines. The short, stocky woman needs to wear shoulder pads to give her entire figure a lift and to make her neckline look slimmer.

She should reject lacy pockets or other hip-rounding devices on dresses or suits because these details have a widening effect on her figure. Because full-flaring skirts also have a widening effect, these should be rejected in favor of skirts with straighter lines or with modified flares.

These will be much more slimming. What the petite-sized woman can use to advantage, however, are longer skirts, which help to elongate her figure.

Her figure will also be flattered by "new look" fashions which are fitted through the waistline and have a minimum of hip-rounding detail.

VANCOUVER will be the home of Mr. and Mrs. James Hatter who were married recently at Vegreville United Church. The bride is the former Olive Marguerite Hendrick, daughter of Mr. and Mrs. Wesley A. Hendrick and the bridegroom is the son of John Hatter, Lake Cowichan. —Photo by Dintell, Vegreville

Barefooted Walk Good for Feet

Take advantage of the "barefoot season" to give the muscles of your feet a fling at freedom. While tanning on the beach, kick off your shoes, and get in as much barefooted walking as you can. Even if shoes are nothing more than leather soles with ribbon laces, remove these encumbrances as often as possible. Spread your toes when you walk. When you sit, try spreading toes like you spread the panels of a folding fan. It takes practice and patience to learn to flare your toes, but the reward for your effort will be a stronger, more resilient arch.

Exercise the long arch of foot, the so-called "suspension bridge" of your body. A good exercise for strengthening this bridge is taken, sitting erectly with your back braced against a rock, stone wall or tree trunk. In that position, stretch legs out in front of you and dig heels deep into sand or grass. Now, raise your toes to move first toward and then away from your ankles.
